FAMILY GROWTH

On Sunday September 16, **Israel Raya** was baptized into Christ for the remission of his sins. Please pray for his as he is having to deal with many family problems that may pose a stumbling block for his faith.

On September 20, **Flavio Garcia** was baptized. He comes from Tampico (NE Mexico), and is a Civil Engineer. He hopes to be able to settle in Queretaro with his whole family. We are having a Bible study with his and other new members

on Thursday night in order to strengthen their faith.

SPIRITUAL GROWTH

Our congregation continues to have Bible classes on Tuesday night in different homes simultaneously. At this time we are studying the Gospel of Matthew with special emphasis on the teachings of our Lord Jesus Christ. Our men in the church and our preacher students are actively participating in the teaching of these Bible lessons.

LADIES' DAY

On September 15 our ladies celebrated their 26th Edition of Ladies' Day. Women from places as far as Ciudad Juarez (across El Paso, Texas) came for this event that has gradually become a national gathering. As it is typical of this event, much preparation work was involved, but the reward is great both here and in Heaven.

FUTURE EVENTS

Bro. **Dewey Lackey** will be with us in November 3-9. He will be teaching an intensive Bible course for our Preacher/Teacher Training Program.

We are getting ready for our Annual Gospel Meeting which will take place on December 7-9. Bro. **Francisco Rodriguez** from Monterrey (NE Mexico) will be our guest speaker. Bro Rodriguez is a teacher at a preacher school in Monterrey and a local preacher in one of the suburbs in that city.

Thank you brethren for your spiritual and financial support to our efforts of spreading the Gospel in Central Mexico.
