Yunely Garcia

Olivia Arroyo studied the Plan of Salvation with this Young-lady and she was baptized recently. Her father Gabriel, is also a member in our congregation.

Ramon's wife, Miriam, has been a member for a long time. She was raised in our congregation. We are happy to see him obey the Gospel of Christ. Bor. Mauro Villegas spent time studying God's word with him. Prior to his baptism, he had been attending steadily.

Victor Pineda

Victor came from Tapachula (State of Chiapas), to work , and recently placed membership with us.

VBS 2012 July 11-14

We had a great VBS program this year. Our sister congregations from around us also came. Here's a few pictures.

CONSTRUCTION

The floor tile on the third level is being placed.

THE GROUP FROM CRIEVE HALL

A group of twelve people under the leadership of **Bro. Steve Cantrell**, came from Crieve Hall Church of Christ came on the week of August 4-11 to do construction (paint included), and benevolence work. They really worked hard. They also did excellent benevolence work at two homes; one for the elderly and another one for people with special needs such as Dawn

Syndrome and other health problems.

They also did a very effective evangelistic work by singing Gospel songs in many public places. People showed a lot of interest as they passed by. We were able to make contact with many, and established some home Bible studies. Some of us sang with them under the skilled direction of **Bro. Ron Hatchett**, while many other members of our local congregations handed out gospel tracts. Thank you folks for a job well done!

Heather Monroy is one of our youngest; here with **Olivia Arroyo**.

FUTURE EVENTS

Preparations for Ladies' Day on September the 15th, are underway. We expect a good crowd of around 600 from all over the Country.

Please pray for our efforts in spreading the Gospel in a very Catholic Country such as ours. Also pray for Olivia's health.
